“YOU CAN ONLY GO AS FAR AS YOU PUSH”

WHO WE ARE

Volleyball Elite Academy was formed in 2010 to positively impact the lives of aspiring student-athletes, ages 5-18. Our mission is to provide elite training, exposure and resources to our players and families. Our elite training & mentorship model is designed to prepare our student-athletes for the next phase of their volleyball participation and life off the court.

What we do:

Unlike most volleyball clubs, Volleyball Elite is an academy. We provide our student athletes with opportunities to thrive on and off the court.

Academy Offerings:

- Age specific development.
- A combination of conditioning, speed, & agility training
- A combination of competitive play opportunities locally, state, and nation wide.
- Sisterhood/Mentoring/Leadership Development.
- Health & Nutrition Awareness.
- Next level preparedness (middle school, high school, college, professional).

PROGRAMS

Training & Development (No experience required)

Power Elite: Boys and girls ages 5-9

- Two 8 week sessions that meet once a week starting in December

Supreme Elite: Boys and girls ages 10-14

- 5 month training, twice a week from December to April

Travel & Exposure (December-June) (Experience preferred)

State Level:

- Training and travel to nearby cities and states to compete
- Two day tournaments may require overnight stay
- Some tournaments are two days and require overnight stay
- Season culminates at the State Championships in June

National Level:

- Competitive training and travel opportunities
- Tournaments are both local and statewide on the weekends
- Most tournaments are two days and require overnight stay
- Season culminates at the National Championships in June
